

Dear members,

Happy New Year!

Just a reminder that the first meeting of 2022 will be Monday, Jan.10, at 7 p.m., MUMC Poly, 3900 Meadowbrook Drive, Fort Worth, Texas. Tonda Rice, project manager for the Oakland Lake Park dam repair and bridge expansion project will speak about the construction now underway in the park. This project has been in the planning and bidding stages for two years. Please join us to learn the latest.

Out of respect for each other and the ongoing Omicron variant, WMNA encourages attendees to wear masks in the meeting. Social distancing will be observed. The meeting will be broadcast on FB Live and a recording posted later on the WMNA group page.

Dues are due

Renew your WMNA membership [online](#) or mail us an application with a check. It's \$18 well spent to help the neighborhood prosper. Dues go to support the organization's operations, communications and event planning. Business memberships are available, too. \$100 for a Basic membership and \$250 for a Gold.

Quarterly schedule

Our next meeting will be the May 15 picnic and Walk & Roll. In 2022, WMNA moved to a quarterly schedule with events or meetings in August (meeting) and October (meeting and National Night Out).

Carol Peters, WMNA past president and governing council member
